RESTORATION OF CANCELLED LICENSE

California Code of Regulations, Title 16, Section 355(b) and (c), effective April 2001, authorizes the Board to **cancel** licenses for failure to renew after three years from the date of license expiration.

Restoration of a cancelled license requires completion and submission of a Restoration of Cancelled License Application together with a fingerprint card, verification of Board-approved continuing education for each 12-month period the license was **cancelled** (completed during the 12-month period immediately preceding the request for restoration), and a fee in the amount of \$324.00 (\$300.00 restoration fee and \$24 federal fingerprint clearance fee).

Cancelled licenses will be restored after federal fingerprint clearance is obtained and continuing education verified.
